The first diagram shows 4 mice and a number bond for 4 with 2 and an empty circle.
 The second diagram shows 4 mice and a number bond for 4 with 0 and an empty circle.
 The third diagram shows 4 mice and a number bond for 4 with 4 and an empty circle.
 The fourth diagram shows 4 mice and a number bond for 4 with 3 and an empty circle.
 The fifth diagram shows 4 mice and a number bond for 4 with 1 and an empty circle.

The first diagram shows 5 frogs and a number bond for 5 with 3 and an empty circle.
 The second diagram shows 5 frogs and a number bond for 5 with 4 and an empty circle.
 The third diagram shows 5 frogs and a number bond for 5 with 5 and an empty circle.
 The fourth diagram shows 5 frogs and a number bond for 5 with 2 and an empty circle.
 The fifth diagram shows 5 frogs and a number bond for 5 with 1 and an empty circle.
 The sixth diagram shows 5 frogs and a number bond for 5 with 0 and an empty circle.
